the following: We have for some days been in doubt as to what force Sherman had sent corps. The 14th and 20th corps comprise in the direction of Augusta. This doubt has the force operating against Columbia and at length been solved. It seems that while | Charleston. his main army advanced towards Branchville and Charleston, he sent Gen. Kilpatrick and his cavalry to demonstrate against Augusta, and to break the Charleston and Augusta Railroad. From official dispatches received at the War Department, we learn that on last burg lines picket firing has, by tacit con-sent of both parties, very much slackened Friday Gen. Wheeler attacked Kilpatrick at Aiken, on the Charleston and Augusta road, 20 miles north-east of Augusta, and after a The enemy is quiet in entrenchments considerable engagement drove him five miles in the direction of Branchvile.

Our troops have by this time, no doubt, fallen back to the Congarce river. If our troops fall behind the Congarce, the enemy transporting a heavy body of troops to the will be able to shell Columbia from the south af the troops sent overto Petersburgh to par-

We also learn that the Congares and its tributary the Saloda, are both easily fordable Monday. It was reported yesterday, that above the city. This disposes us to believe that our troops will seek to give battle before crossing the Congarce.

Wilhington The report, is owever, is not confirmed by official despatches. Gen. Baker, in command The Richmond Whig says. We learn,

upon good authority that our forces are falling back before Sherman's advancing columns in the direction of Columbus, S. C., and will materials for repairing the railroad from make a stand on the Santee. Paroled prisoners from Richmond say there
